One of our Core Values is to Pass the Baton

Did you know that over the years Trinity has supported over 80 students with scholarships for music training? These students developed their skills and some even went on to leadership roles in our current worship and church activities at Trinity, as well as at their schools and in the community. Faithful folks who left a gift to Trinity in their wills or estate plans made this possible. Have you named Trinity in your estate plans? Please let us know so that we can thank you—the amount is not needed. Contact Mary (mary@tupcsa.org) or (714.505.6254 x102).

APRIL 16, 2017

WELCOME TO TRINITY!

It's a joy to celebrate Easter with you! The message of Easter is that Jesus is not simply a long-dead prophet whose words and life inspire us, but the Living Lord who has broken the powers of death and evil. Jesus is with us now, changing lives every day.

And Trinity continues to be in a season of change. As you look around the campus you'll notice what we call "the holy mess" as the eastern side of our campus has been cleared for new buildings and improvements. This summer and fall you'll see the construction of our Student & Family gym/multi-purpose center, a Welcome Plaza, and greatly improved parking and traffic flow. This is an exciting time at Trinity!

In the midst of your busy life, it is our prayer that you would experience life-giving change through Jesus Christ.

Faithfully yours,

Doug Rumford | Lead Pastor
