ROMANS 11:11-36
PROMISES: WARNING AND WARRANTY
Putting Life Together in a Pull-Apart World #20
April 17, 2016

1. By grace God grafts Gentiles into his family tree (Romans 11:17-20; Jeremiah 11:16).

2. We must heed the warning of God's pruning (Romans 11:22; 11:5, 6; 1 Kings 19:14-18; Isaiah 5:1-7; John 15:1, 2).

3. We fix our hope on the warranty promise of God's faithfulness (Romans 11:26; 11:33-36).

4. Clear theology inspires joyful doxology (Romans 11:33-36).

5. Application: Considering God=s severity and kindness, we humbly repent and boldly embrace God’s promise by faith.
