1 TIMOTHY 6:6-21
WHY SO BLESSED?
Treasure Principle #4
May 21, 2017

1. The quality of life God promises in Jesus Christ is beyond purchase (1 Timothy 6:6-8).

2. The desire to be rich leads to soul-shrinking consequences (1 Timothy 6:9-10).

3. Focusing on faith and faithfulness sustains us at all times, regardless of our financial circumstances (1 Timothy 6:11-16).

4. God commands the financially rich to pursue the spiritual riches that come only from generosity and service (1 Timothy 6:17-19).

5. Application: God prospers me not to raise my standard of living, but to raise my standard of giving (Randy Alcorn Principle #6)
