

Thirst

John 4:7-30

Rev. Jeff Wagner

In one "accidental" conversation Jesus tears down the big 5 barriers

- Gender
- Race
- Moral
- Class/social
- Religious

In Jesus, barriers caused by sin are removed and true life is restored.

Jesus challenges the woman to move from-

- Deflection to ownership.
- Quick fix to eternal fulfillment.

In Jesus we have one who truly knows us and yet loves us.

Encountering Jesus moves this woman from personal and cultural confusion to bold confession and purpose (John 8:25-30).

An invitation to come to the source (John 7:37-39)
