Title: "Begin with the End in Mind"

I am the Resurrection and the Life

Preacher: Rev. Dr. Steven B. Miller

July 16, 2017

Jesus has perfect timing in all things

I am the "Resurrection" means = Jesus will Raise us up and Awaken the dead - both now and in eternity.

I am the "Life" means = Jesus gives us real purposeful Physical vitality that characterizes living things.

The question Jesus asks of all of us is: "do you believe?"

"To Believe" means = to Commit, to Trust, and to have confidence in our Lord Jesus.

The Christian life happens when we live in this world trusting that when we ask the Lord to guide our actions – that he will.

We Live with the End in Mind – for the Glory of God

The Charge: We are to live as Resurrected people who are called to abundant life trusting our Savior and Lord.
