

Volunteer Opportunities at the OC Rescue Mission's Village of Hope

Trinity/OCRM Mentoring and Life-Coaching Program

Come along side of a motivated OC Rescue Mission resident to coach them for a year in life skills. Mentees will be matched to your background and experience. This is a chance to encourage and be encouraged as you impact a life in a meaningful way. The life that changes may be yours!

Contact Craig Furniss (cfurniss@cox.net) for more information.

Kids' Saturday Morning Basketball Clinic

Every other Saturday 8:50 – 10:15 am, join other Trinity members as we teach and play basketball with kids who live at the Village of Hope in Tustin. We use basketball as a way to encourage the kids & teach them a weekly life skill. Contact Gary Citron (jgcitron@aol.com)

High School Diploma Tutoring

Help residents get their high school diplomas by tutoring in subjects like math, science, English or essay writing. Tutors are needed on Tuesday and Thursday Nights and any morning of the week.

Contact Linda Biederman (linda.biedermann@rescuemission.org)

Wednesday Mentor-Up Program

Every Wednesday 5:30 -7:30 pm. We are looking for Christian men to mentor fatherless boys in a 'group mentoring' setting, along with other mentors. Activities include eating dinner with boys, playing games and sports with them and then participating in a brief Bible study.

Make a Difference in a Morning

Every 1st and 3rd Saturday 9:00am-12:00pm. A great family-friendly way to serve & get introduced to the OC Rescue Mission. See our website for details: <https://www.rescuemission.org/volunteer>

Serving Meals to the Homeless

Volunteers will assist our wonderful kitchen staff with preparing and serving a meal for the evening. Some duties may include sorting food, preparing food, and cleaning the dining room. Volunteers will also serve the meal directly to our residents here at the VOH.

Volunteering with Homeless Children

Volunteers will lead the children living at the Village of Hope in activities while the parents are attending important Bible studies and workshops as part of their journey to self-sufficiency. Need is strongest on Monday nights.
