

WELCOME to Trinity!

We're so glad you're here with us! At Trinity, we are building a community fully alive in Christ—and welcome you to be a part of it. Please glance through this brochure to see ways you can connect, grow and serve with us. No matter your age or stage of life, or where you are on your journey of faith, we're likely to have something for you.

Our series of messages this Christmas, "What's Christmas All About?" helps us understand the real gifts God has given us in Jesus' birth. This is a great series to bring friends who are curious about our faith.

January and February feature a very special series of messages on *The Power of Healthy Relationships*. We will define the most important qualities of healthy relationships and learn specific skills to help us know, trust and rely on other people, especially those closest to us. This series will be enhanced by excellent small group resources.
