JUDGES 6:11-18
GOD-CENTERED
Experiencing God # 2
June 28, 2015

1. People suffer serious consequences when they embrace a self-centered life (Judges 6:11; Judges 2:10-19; Judges 17:6 and page 32 in *Experiencing God*).

2. God invites us into a God-centered life (Judges 6:12-24).

3. God develops our character to match his assignment for us (Judges 6:25-32 and page 46 in *Experiencing God*).

4. God works in ways that create full dependence on him and that can be explained only as God's work, not ours (Judges 7 and page 39 in *Experiencing God*).

5. Application: When we trust God we no longer hide in fear but step forward in faith to be part of God's plan.
