**TRINITY**Connection

APRIL 21, 2019

Welcome to Trinity!

This Great Day gives meaning to every other day!

An ancient believer wrote, “When Christ’s cosmic battle came to an end [on the cross], the heavens shook, stones were split open, and the world might well have perished. And then, when He ascended, his divine Spirit gave life and strength to the tottering world, and the whole universe became stable once more.” St. Hippolytus of Rome (about 170-236 A.D.)

Whether you’re here for the first time, or have been here countless times, we hope you feel Trinity is a place for you. We’re more than just a church. God’s love in Jesus Christ makes us world-changers in this “tottering world.” We invite you to join us in that great calling. Here you can connect with people who really care, grow in understanding God’s grace and truth, and serve others in significant ways.

In this Trinity Connection, you’ll find activities for nearly every interest and stage of life. Also note all the opportunities to sign up now for our great summer programs!

Faithfully yours,

Doug Rumford | Lead Pastor
