All Church Picnic—Sunday, Jun 9 @4PM

Fellowship Hall Sound System Upgrade

For many years the Fellowship Hall sound system (soundboard, speakers) along with the video projectors have needed replacing, as the initial equipment was only for getting the worship service started. The cost of this equipment is \$140,000 and Session approved moving forward with its installation. These improvements will provide a confidence of reliability on Sunday mornings. The \$140,000 will be funded by a loan, either by extending the Two Steps Forward—Finishing Well loan or drawing down Trinity's capital reserve account, and either loan source will need to be repaid.
