Easter Flowers

Plants and flowers in our worship services on Easter represent the life we have been given by and through Jesus' sacrifice on the cross. Trinity has a tradition of recognizing at Easter those who are or have been a blessing in your life by extending the opportunity to purchase a plant in someone's honor/memory. Please visit the website (trinityconnection.com/flowers) to fill out a form and submit your \$10 gift. Make your online submission by Monday, April 6. The name of your loved one will be included in our order of worship on Easter.

Dearest Trinity Family,

Grace, mercy, and peace to you in the name of our Risen and Reigning Lord. Our sovereign God is present and working in this fallen and failing world—and we are a part of that work.

Thank you for the expressions of support we've received this past week, especially to our livestreaming of worship. This has been a huge challenge, and our staff team has really stepped up—and will continue to do so. I am so thankful for them.

Ministry at Trinity has shifted in “delivery,” but it has in no way diminished. Though we cannot gather physically, we are learning to maximize technology for continuing to invite, connect, grow and serve.

One new tool for encouragement and outreach is “Trinity’s Daily Focus.” Mondays through Fridays we are posting a 3-5-minute feature on our website, app and social media. Look for these, usually between noon and 1:00 p.m.

Since the Governor’s “Stay at Home Order” extends until at least April 19, we will not be gathering for Holy Week services on campus. We will, however, celebrate Maundy Thursday and Good Friday as well as Easter online. Watch for details.

If you are able, we greatly appreciate your faithful giving to support Trinity’s mission and ministry. We continue to engage fully in ministry in every way possible. We are responding to countless needs and trusting God to provide. Thank you for doing what you can.

Once again, we affirm that Jesus’ mission has not paused. In fact, we are praying people will be more open and ready to hear the hope of the gospel than ever before.

Faithfully yours,
Doug
