Dearest Trinity Family,
Grace, mercy, and peace to you in the name of our Risen Lord.

As I announced last week, we are developing our internal plan for re-opening our campus for ministry. This past week we recruited a Re-Opening Team with leaders in business and medicine from our congregation, as well as staff and elders.

Re-Opening Team members include Trinity's LEAD Team of the pastors, Hanan Yaqub (Minister of Worship & Music), and Elizabeth White (Director of Operations & Finance) as well as Team member Diane Grams (Children's Director). We are also pleased to have Dave Hirz (President and Chief Executive Officer at Smart & Final Stores Inc.), Dr. Tim Munzing (Director of Family Ministry Residency for Kaiser-Permanente), Barry Cottle (Co-Chair of our 2 Steps Forward Building Team and Principal of C & C Development Real Estate), and Trinity elders Chris Bramel (Student and Family), Chris Eastwood (Human Resources) and Lesley Stewart (Worship & Music). A big team for a big challenge.

You'll hear more from us as we sort things out. We appreciate your prayers and support.

Your staff team is also working diligently to broaden our ministry strategy to support you in your home, in your small group and in your neighborhood. God is providing many opportunities we want to maximize.

We look forward to the time when we can flood this campus with life and fellowship. Until then, let's stay connected in other ways. We can be very present, even when we are physically apart.

Faithfully yours,
Pastor Doug

Virtual Man Night Wednesday, June 10 @7-8PM | via Zoom

Join us as Pastor Doug speaks on *John: From Blind Ambition to Beloved Advocate*. Is there any place for an angry, ambitious man in Jesus' plans? Evidently so. The disciple John, nicknamed one of the "Sons of Thunder" (along with his brother, James) by Jesus, wanted to destroy opponents and rule with Jesus. In this study we'll see Jesus' redemptive power to transform and redirect his disciples' personality traits. Register online to receive the Zoom link.

April 2020 | Financial Report

Operating Accounts	Month	Year to Date
Ministry Income	\$ 484,000	\$ 1,494,000
Ministry Expenses	369,000	1,530,000
Ministry Operating Surplus/(Deficit)	\$ 115,000	\$ (36,000)
Misc Income/Other	173,000	141,000
Total Ministry Surplus (Deficit)	\$ 288,000	\$ 105,000

After an initial significant drop in our giving in mid-March, our congregation adjusted to the new situation in an amazing and powerful way. Though we believe we have begun to see the impacts of the COVID 19 crisis and job losses, we have also seen entirely new sets of ministry partners begin giving and others have stepped up giving in order to support the ministry. Familiarity with electronic giving continues to grow. We were blessed to see our offerings come in above budget in regular giving, as well as having our special offerings for the Maundy Thursday Deacon's Fund, and Easter both come in well over the amounts anticipated.

Expenses for the month were under budget as the reality of a closed campus showed in the financials. Miscellaneous Income includes the initial outlay of the Payroll Protection Program funds as well as an Unrealized Gain that reflect the initial recovery of the market in our invested funds.

We are thankful for the faithfulness of the Trinity family of faith as well as God's great provision. Please be sure to visit the Trinity website for opportunities to give or serve, or to let us know of a need you may have in this time of uncertainty.
