September 2020 | Financial Report

Operating Accounts	Month	Year to Date
Ministry Income	\$ 294,000	\$ 3,108,000
Ministry Expenses	403,000	3,473,000
Ministry Operating Surplus/(Deficit)	\$ (109,000)	\$ (365,000)
Misc Income/Other	6,000	635,000
Total Ministry Surplus (Deficit)	\$ (103,000)	\$ 270,000

September offerings were lower than budgeted expectations for the month and for the third month in a row. After 9 months our overall status year to date is now about 6.7% below year-to-date budget levels. This brings the total dollar shortfall to budget at this point to approximately \$186,000. When comparing the year-to-date offerings total for this year to the same point in 2019 we are encouraged that offerings are trending 7% above last year.

On the expense side, our overall ministry expenses are 9% under budget expectations year-to-date.

Miscellaneous Income included an Unrealized Loss that was a step back on the recovery of invested funds from the losses early in the year.

We continue to be thankful for the faithfulness of the Trinity family of faith through this challenging year, as well as God's great provision all through this time. Please be sure to visit the Trinity website for opportunities to give or serve, or to let us know of a need you may have in this time of uncertainty.
