PRAYERS

Almighty and gracious God,
you are the Potter, and we are the clay.
We are the work of your hands.
And we are also the work of our hands.
You transform us
As we work out our salvation
By your power at work in us.
You make, we shape.
Come, Holy Spirit, and give us what you
want to give us in this time.
In Jesus' name we pray. Amen.

Life-giving Father, Life-saving Son, Life-filling Holy Spirit,
We thank you for meeting us in this time.
By faith we know you are shaping us—
whether we feel it or not.
As we reenter the world,
keep us from its darkness, deceptions, and distractions.
Make us salt and light
on our journey from glory to glory.
In Jesus' name we pray. Amen.
