WELCOME

We're so glad you're here!

Sometimes in a court of law, a character witness can be brought forth to testify about a defendant's moral character and personality. The character witness provides evidence of the defendant's positive qualities. The witness shares the words and actions of the defendant, which sheds light on their behavior.

In 1 Peter 5, early believers were called upon to be character witnesses of God's grace. Elders of the church were reminded to be good shepherds to the flock under their care. Younger members of the body were encouraged to be humble. The entire church was told to exercise self-control and alertness in the midst of adversity. Peter explained that the lives, words and actions of Christians should bear witness to the world of God's goodness and faithfulness.

"Be a good witness by the way you live. The way we live is often more convincing than the words we say." -Billy Graham
